

Will you leave a Legacy of Grace?

Legacy of Grace Circle
is a group of members
who have committed themselves
to the future life
of this congregation
by including
Grace Evangelical
Lutheran Church in their
will or estate plan.

*“How Soon,
Not Now,
Becomes Never.”*

-Martin Luther

Consider including Grace
Evangelical Lutheran Church as
part of your planned giving.

Your Legacy Matters

Think about your
potential legacy;
the one you are living
as well as the one
you will leave behind.

May the decisions
you make be empowering
to our ministries, mindful
of the challenges we
will face and supportive
of our future growth
and direction.

Think about how
your gifts,
will significantly impact
future generations.

Planned Giving Program

We invite you to

**Help Complete the
Circle**

by remembering
Grace in your
planned giving

A Faithful Heritage

On August 5, 1866, the original cornerstone was laid for the building of Grace Lutheran Church.

Trusting in God, a congregation of 22 members put forth their resources to erect the new church.

Today's Grace

Today's multifaceted Grace Lutheran Church offers historical architecture and modern facilities, varied worship opportunities and numerous educational, spiritual, service and social experiences.

The Purpose of the Legacy Circle

Your legacy will help to perpetuate the ministries of Grace Lutheran Church, attend to the deferred maintenance of our buildings, and increase our endowment to help defray the cost of our existing programs.

Working together, we can maintain the financial health of Grace in ways that no individual can do alone.

Planned Giving

I have already included Grace Evangelical Lutheran Church in my Will or Estate Plan.

I am interested in learning more about how I can help complete the circle and become a member of the Legacy Circle of Grace.
