We use WHIRL which is a lectionary based curriculum. This helps to provide easy conversation for parents with students when they are at home. Each week your child will come home with conversation starters and activities based on the lesson-we encourage families to utilize this tool at home ☺

Please fill out and return this form. You may return it to your child(s) Sunday school teacher, mail it to the church office (21 Carroll St Westminster, MD 21157), or hand it to Leanne Elliott, Stacie Dowling, or Carrie Oddis.

We offer Confirmation for students in 7th & 8th grade and Legacy Sunday School for students in 9th-12th grade. We offer 2 Adult classes: A Bible Study based on the text for that week and HomeBuilders. We also offer nursery for children 3 and younger.
