Easter People

The celebration of Easter is a reminder to Christians that the power of God's love will always have the final say in life. In a recent discussion with a group of local pastors it was noted that many people in our world today experience Easter without Good Friday. The impact of the Easter miracle is lost because more and more people do not have a context within which to see and truly grasp the truth of the Easter Miracle. The brilliance of an Easter Morning seems faded without the darkness of Golgotha. An empty tomb makes little sense without there first having been a body.

Easter is the great declaration of God's love having confronted the darkness of death and despair. The ancients were inclined to say; "a confrontation with sin, death and the devil" that is overwhelmed in the miracle of the Easter proclamation of CHRIST IS RISEN! We live in a confusing time when on the one side we hear of the sparkle and glitter of the age, yet buried deep within many is a growing sense of hopelessness and despair. In the unfolding season of this political season within our nation we are seeing more and more signs of deep frustrations boiling out in startling and sometimes frightening ways. Violence and mass shootings are becoming the common reports of daily news. Innocent victims are being shot dead in our streets, law enforcement personnel being ambushed and people becoming ever more distrusting. Darkness seems to overshadow our daily lives and hatred, anger and even rage seemingly set the tempo and rhythm of our culture.

News and politics have seemingly set the agenda for how we are to live and respond in our world today. The topics and solutions ring hollow and untenable whether you are of a liberal or conservative persuasion. The Easter proclamation is declared into this environment and it is a message that brings light to darkness and a perspective far different from what the world in general might have to say in the midst of the chaos. Christ is Risen, the power of evil, hatred and death will not have the final say in this age. Christ is Risen, a light shines in the darkness and that light is defined by the light of God's love.

In the tragedy of Jesus' death profound injustice seemed to rule. The man from Galilee spoke of loving God and loving neighbors and for such words and deeds he was executed. A society gone mad dragged the Son of God through the streets beaten bloody and finished his life on a torturous cross. Yet from that horrific instrument of death Jesus would offer forgiveness to the very ones who were killing him; he was offering forgiveness to his own followers who in fear abandoned him. Jesus was offering forgiveness for all the generations to follow who would allow darkness to rule in their lives. And the power of such forgiveness would change the lives of all who could hear and receive it for it is the profound sign of God's infinite and life-changing love.

The miracle of Easter is all the evil of the world will never have the final say in life or in death. The horrors of Good Friday will always be overcome by Easter and always this will be the result of God's unfailing love for us and for the world. The miracle of Easter is that it continues to this day overcoming the darkness of a lost and broken world. Political pundits can shout their positions from a hundred soapboxes but in the end the only message that can bring hope and healing to our lives and to the world is wrapped up in Christ is Risen a sign that the love of God will always have the final say and we the Children of God who embrace this truth need to be certain that our voices are heard in an age when false prophets offer promises that can never bring peace or wholeness to our broken world.

Peace, Pastor Kevin

God Makes a Way Out of No Way

Not long ago, the following prayer petition was included in the Prayers of the Church. It really struck a chord with me and I wanted to share it with you.

Compassionate God, you make a way out of no way. Give your peace and vision to all who struggle with addiction, depression, grief, or illness *(especially)*. Make plain that in the midst of suffering, you are suffering, and that your desire is wholeness and life. Lord, in your mercy, hear our prayer.

I don't know about you, but I am finding this world rather frightening at the moment. There seems to be more divisions than we can count. Nothing is simple anymore since there are many sides to every issue. It's not just the current political campaigns...although I believe that they are adding an unprecedented stress level to our common life. No, it isn't just politics, the church is under constant challenge....what will the church look like a few years from now? Who will survive? Will our youngest pastors be able to make a living serving the church decades from now? As I work with young people and families here in our congregation and community, there is more than enough stress to go around. Finances, job insecurity, health issues, and so much more put pressure on individuals and families every day.

So, in light of all of these challenges, the prayer petition jumped out at me. "Compassionate God, you make a way out of no way." What an awesome thought that is to hold onto!

Imagine Jesus' followers coming to his tomb early on the first day of the week. They wondered how they would remove the stone sealing the tomb. What a surprise! God had made a way out of no way! As it turns out, in God's world, death did not have the final say. God had acted and Jesus was alive and waiting for his disciples to catch up!

The prayer petition names some of the situations that we humans get into which can result in a feeling of hopelessness. Addiction, depression, grief and illness are a few of the places where we find ourselves feeling trapped, thinking that there is no way forward. Yet, when we place our trust in God and accept the help that is sent our way, we find that God has made a way out of no way! How often is Jesus just waiting for us to catch up?

Some people ask, "where is God these days?" The answer is....wherever we are and so many other places as well. There is no place that we can go, no challenge that we can face, where God is not there with us. In the divisions that threaten to pull us away from our neighbors, God is with us. In the many sides of the issues, God is already working to help us see the resolution. When we look to Christ, we see a pattern of forgiveness, compassion, and hopefulness. You and I are here in this world as Christ's hands, feet, and voice, bringing that love to bear on the situations we face. Yes, it is complex, and more and more there are no easy answers, but the Holy Spirit will guide us. We need to take the time to trust the Holy Spirit and to watch for God's leading.

When all is said and done, this is God's world. God brings light out of darkness and life out of death. May we trust that God is at work today in the midst of the many challenges we face. I pray that as Jesus' followers we will be faithful in our calling to walk in Jesus' footsteps helping to bring his mission and ministry into reality in the world. In the midst of our suffering, God suffers with us to bring life and wholeness.

"What are you looking for?" asked the messenger. "He is not here, he is risen!" God made a way out of no way.

Thanks be to God!!

Henri Nouwen originally wrote this book for a friend who wanted to know more about living a spiritual life. This book speaks of what it means to be loved by Christ in the midst of a very secular world. This is the kind of book that the reader returns to over and over again. You will find it uplifting and encouraging.

Book club meets on the second and fourth Thursdays of the month. Pastor Martha will again offer the book club in both the afternoon and the evening if there are at least four people interested in each time. The cost of the book is \$10.00. The first session is April 14.

Food and Faith

All adults are invited to join in a "homemade meal" featuring fresh food, lovely atmosphere, and wonderful conversation! Food and Faith is ministry developed by the Adult Education Committee. Pastor Martha will lead a Bible study that examines food in Scripture. The cost for a wonderful meal and great fellowship is \$12 per person. Please pay at the meal (with cash if possible). The detailed job descriptions are available in our church office. Resumes, compensation requirements, and the specific job being sought are to be sent by email or snail mail to Pastor Martha Clementson, President of the CLS Board of Trustees. Letters Home by Craig Giles

Many of us get greeting cards and note paper in the mail from various organizations and sometimes we wonder what to do with it all. The Ardent Folk ministry team which provides the community meal each Thursday evening at Grace has a suggestion. We will gladly receive your donated cards, envelopes, writing paper and pens in the designated box in the Upper Gathering Space. We hope to use the cards to replicate a ministry begun in Washington State and written up in Guideposts Magazine (freelettershome.com). We want to offer our guests (especially the homeless) a way to stay connected to their families by providing the stationery, volunteer writers to assist if requested, and of course, a stamp. A note home could make a healing difference. Thank you for your support and prayers. Sincerely, The Ardent Folk Ministry Team

30 Hour Famine: Kenya

For the fourth year Leanne Elliott and Melissa Helfer are partnering to lead our young people in World Vision's 30 Hour Famine! This year we will travel to Kenya, a founding member of the East African Community. With approx. 45 million people half of Kenyans live below poverty and 1 in 5 suffer from hunger. Malnutrition is a major child killer and responsible for much morbidity in the country. In 1 Timothy we hear Paul encourage Timothy to "fight the

good fight of the faith" (1 Timothy 6:12) and later we hear the call from James to "be doers of the word, and not hearers only..." (James 1:22). Our youth have responded to this call and faithfully participate in the 30 hour famine. During this event we fast for a full 30 hours, participate in activities and discussions that help us to learn more about hunger and poverty in other parts of our world, we serve our community together, worship together, struggle together as we grow weak and tired, and grow together as we experience God working through us. We cannot do this event alone and we ask for your support.

First and most important we ask for prayer. It is no easy task to go 30 hours without food and we all reach low points throughout our fast (adults too!); your prayers help give us strength to continue. Additionally you can support us by donating in one of the following ways...

- 1. Financially to our World Vision Fundraiser (Please make checks out to Grace Lutheran Church and write "30 Hour Famine" in the memo line)
 - a. \$35 feeds & cares for a child for one month
 - b. \$420 feeds & cares for a child for a year
 - c. \$840 feeds & cares for two children for a year
- 2. Financially to our meal that we have in order to break our fast (Please make checks out to Grace Lutheran Church and write "Meal" in the memo line)
- 3. Volunteering to do a 4 hour security shift during the night (outside) at Trinity Lutheran Church on Deer Park Road. Our students build a cardboard city and sleep outside (as long as it is not raining) and we need to have adults awake during the entire night. If we have volunteers willing to serve from 12 a.m. to 4 a.m. or 4 a.m. to 8 a.m. (you MUST stay awake the entire time), our adults participating in the event are able to get some sleep. This helps us be more alert for a very long day Saturday! Please sign up on the RCR card at worship for a shift and give us the best number to contact you so that if for some reason we do not sleep outside we can let you know!

30 Hour Famine: Students

The 30 Hour Famine will be held April 29-30 at Trinity Lutheran Church on Deer Park Road, Westminster. **High School Students** the famine will begin Friday April 29 with registration at 6 p.m. and your fast will begin AFTER lunch Friday! You MUST bring your own cardboard boxes for our cardboard city. **Middle School Students** are invited to join us at Trinity on Saturday morning at 9:00 a.m. to begin your fast. You will participate in activities and

service projects as well as worship and our meal. This year we will be purchasing t-shirts to wear on Saturday so there is a **\$10 fee** for this event. ALL STUDENTS MUST sign up on the RCR card at worship and include your T-Shirt size by <u>April 10</u>. Once you have signed up you will receive your fundraising packet to begin collecting money!

Timmy, the Terrible Hunger Terrapin

Timmy's Corner

Hello my friends,

Could it really be that Spring is finally here? Periods of hibernation can start getting to you when Mother Nature teases us with her warmth for two or three days and then gives us back to Father Winter. It gets us all confused at the swamp.

This winter, while stuck in the mud like every other year, I've had some time to think about my asking you to pray on the lack of food problem. That challenge is being faced by those living around us and in the rest of the world. Someone recently wrote (I am borrowing this as an example) "The function of prayer is not to influence God, but rather to change the nature of the one who prays." Did you think about this or just pass over it? Read it again slowly, "The function of pray is not to influence God, but rather to change the nature of the one who prays". Holy cattails, I just thought if you prayed, the things you asked for in time would happen as you requested; but now it seems the plan is to make a change in me, not the one who made me. This will take some thinking; back to the mud.

After some overnight discussions between me and the mud, or perhaps by divine intervention, my questions were answered. I realize now that when I pray for those who are in need, God's answer to my prayers is ME!!! I guess the process starts with each of us.

This being the season of renewal and new life, maybe this is a good place to start. Join me in rethinking our prayers. Perhaps we could ask, "how can I help?" Is there some way I can contribute my time and resources with others that may have an impact? This isn't something I can solve all by myself. I will need God's help and the help of other individuals and organizations if hunger is to be met face to face. I know I can pray and continue my monthly donation to World Hunger, but is this enough? This struggle isn't finished yet between me and the mud, but it is getting clearer.

Let me know how you feel and please take care of one another,

Peace,

Timmy

Family Fun Night

We had a wonderful evening on Friday, February 26. Family Game Night was our theme and Monte Leister provided a concert; we had a carnival-like atmosphere with games and a photo booth. Pizza was available for sale but the highlight of the evening was the ice cream sundae bar! Doodle the Clown was well visited by the children

for his balloon creations. We had a very successful evening; raising \$2597.00 for the scholarship program.

MSDE Nonpublic Textbook Grant

This year we will be receiving \$6825 through this program; we have already begun ordering and receiving items. We will be purchasing one more Investigator Club curriculum for the pre-k four-year old program as well as four new iPads. The iPads will be used as a resource in the two and three-year old classrooms and one for the preschool office. This is our tenth year participating in this program through which we have been able to receive many wonderful supplies.

Field trips

Our three-year olds visited Bear Branch Nature Center on March 31 and April 1; they also will be visiting Dell Dairy Farm on May 5 and 6. The pre-k four-year olds will be going to the Maryland Agricultural Resource Center (MARC) in Cockeysville to learn about plants on April 27.
